Offline Activation

1. If you are not connected to the internet, you have to use the “Offline Activation” button. Click on it.

2. You will be prompted to save out a file. Save it to your desktop or somewhere easily remembered.

3. Send that file to support@asgvis.com. We will process your request and send your file back.

4. After receiving the new file you will need to save this file to your desktop, replacing the old file if it is there. Then choose “Import License”.

5. Select the file that was sent to you. You can then close the offline activation program.

6. Open the program you have just activated. If you encounter any problems please email us with a clear description of the error message and problem.
